Friends of Acadia Annual Meeting

Aug. 8
31st Annual Benefit

Nov. 7
Take Pride in Acadia Day

Share your love of Acadia at Friends of Acadia events!
Volunteer Opportunities
Join the fun and make a difference for Acadia!

Stewardship Projects
Get V.I.P. access to Acadia National Park’s historic trails and carriage roads as a drop-in volunteer. Folks of all ages and abilities work on important trail projects June through October. Meet at ANP headquarters on Tuesday, Thursday, or Saturday at 8:15 am and finish by 12:15 pm. No registration or experience needed.
For more information, visit our website at www.friendsofacadia.org or contact the Stewardship Crew at 207-288-3934 or stewardship@friendsofacadia.org

Earth Day Roadside Cleanup
Join with your friends, family, and neighbors for the annual Earth Day Roadside Cleanup in April. Individual and group volunteers remove debris from miles of roadsides and waterways surrounding Acadia National Park. Looking for more events? Check FOA’s Facebook page for a National Trails Day schedule in June.
For more information, see our events calendar at www.friendsofacadia.org or contact the Stewardship Crew at 207-288-3934 or stewardship@friendsofacadia.org

Take Pride in Acadia Day
Lend a hand at volunteer events that give back to Acadia and the surrounding communities. Take Pride in Acadia Day in November marshals the efforts of more than 400 volunteers to protect the park’s historic carriage roads from damage over the winter.
For more information, see our events calendar at www.friendsofacadia.org or contact the Stewardship Crew at 207-288-3934 or stewardship@friendsofacadia.org

Friends of Acadia Membership Table
Join us at the membership table, where Friends of Acadia volunteers work to personally tell the story of Friends of Acadia citizen-stewards preserving and protecting Acadia National Park. Membership table volunteers sign up more than 500 members for Friends of Acadia each year.
For more information, contact the membership office at 207-288-3340 or membership@friendsofacadia.org

Office Volunteers
Working in the Friends of Acadia office, volunteers help with data entry, prepare mailings, and otherwise lighten the load on our staff—an appreciated service that helps maximize the effectiveness of our organization.
For more information, contact the membership office at 207-288-3340 or membership@friendsofacadia.org
