

Volunteer Opportunities!

Get more involved with Acadia National Park by volunteering with one of these important Friends of Acadia groups:

Drop-in Stewardship Volunteers

Work on the trails and carriage roads! Program runs June through October on Tuesdays, Thursdays & Saturdays. Come once, come many times. No experience needed.

Membership Table

Talk to park visitors outside Jordan Pond House and tell the story of Friends of Acadia and stewardship of this amazing park.

Wild Gardens of Acadia

Help guide visitors and maintain the gardens, which showcase Acadia's indigenous flora.

Office Volunteers

Help with data entry, prepare mailings, and otherwise lighten the load on our staff—a much-appreciated service!

Acadia Winter Trails Association

During the winter, this crew of dedicated volunteers grooms the carriage roads for traditional and skate cross-country skiing.

Special Events

Lend a hand at one of our volunteer events that give back to Acadia and surrounding communities, like Take Pride in Acadia Day (Nov) and Earth Day Roadside Cleanup (April).
